

Monastery of St. Antony and St. Cuthbert.

The Brotherhood of the Glorious Apostles Peter and Paul.

From Fr. Philip: Pascha 2019.

Christ is risen!

[Psalm 72:17](#)

*His name shall endure forever; His name shall continue as long as the sun.
And men shall be blessed in Him; All nations shall call Him blessed.*

Christ is risen! May God bless us all during this Pascal-Easter Season and beyond.

It is lighter and warmer now and the birds are filling the air with their song, the pond has half a dozen goslings and millions of tadpoles on and in it, the woods ring out

with the barking of the deer and the fields are full of lambs and calves. The trees have come into leaf and the woods are full of blossom and bluebells. The monastery grounds are full of life but the real life is to be had with Christ who is risen from the dead and promises us "life in abundance"!
